

International Conference on Cross-Disciplinary Research: Industry, Tourism, and Regional Studies in Asia-Pacific Region

Introduction

The Ph.D. program in Asia-Pacific Regional Studies was initiated in 2019, involving Ph.D. students and professors from all over the world to create a comprehensive and integrative research institutes in Eastern Taiwan. In 2024, the program plans to host the “International Conference on Cross-Disciplinary Research”. This conference aims to provide opportunities to foster in-depth research development in the humanities and social sciences related to the Asia-Pacific region. Drawing from diverse academic backgrounds in social sciences, researchers will dig into various emerging issues such as economic development, environmental situations, migrant labors, and social as well as cultural changes among countries in the region. Moreover, the conference seeks to facilitate cross-national and cross-cultural comparative analyses and promote cross-disciplinary exchanges among countries in the Asia-Pacific region.

Date: November 21-22 (Thursday-Friday), 2024.

Venue: Humanities and Social Sciences Building, National Dong Hwa University, Hualien, Taiwan

Organizers: The Ph.D. Program in Asia-Pacific Regional Studies, College of Humanities and Social Sciences, National Dong Hwa University

Sponsors: Ministry of Education, Republic of China (Taiwan); Hualien County Government; National Dong Hwa University

Call for Papers and Panels:

We encourage all papers and panels from universities and research institutes that focus on the multiple themes of Asia-Pacific regional studies.
